NOTES ON ABBREVIATED FINANCIAL STATEMENTS

30 APRIL 2008

1. Accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Basis of accounting

The full financial statements have been prepared under the historical cost accounting rules, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

Turnover

Turnover represents the amount derived from the provision of goods and services falling within the company's activities after deduction of trade discounts and value added tax.

Tangible fixed assets

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

Plant and machinery	25% reducing balance
Motor Vehicles	25% reducing balance
Computer Equipment	33% reducing balance

Pensions

Defined contribution scheme

Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.
