Abbreviated Accounts

Alexander McFarlane & Company Limited

(continued from previous page)

3. acknowledge their responsibility for :
- (a) ensuring that the company keeps accounting records which comply with section 221; and
 - (b) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of its financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Companies Act 1985 relating to accounts, so far as applicable to the company.

The financial statements, which have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies, were approved by the board on 25th September 2001 and signed on its behalf.

Peter M Johnston

Director

The notes on pages 3 to 4 form part of these financial statements

Alexander McFarlane & Company Limited

Notes to the accounts for the year ended 30 November 2000

1) Accounting policies

1.1 Basis of preparation of the accounts

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

During the year the company incurred a loss of £2,043 and at 30 November 2000 had current liabilities of £55,585. The company meets its day to day working capital requirements with the support of its directors and an associated company loan facility.

The financial statements have been prepared on a going concern basis, which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends on the continuing support of the directors and the associated company.

If the company was unable to continue in operational existence, adjustments would be required to reduce the balance sheet assets to their recoverable amounts, to provide for further liabilities that might arise. The directors believe that it is appropriate for the financial statements to be prepared on the going concern basis.

1.2 Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & Machinery	25% reducing balance
