NOTES TO THE ABBREVIATED ACCOUNTS
for the year ended 31 August 2013

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents rent receivable.

Investment property

No depreciation is provided on investment properties and they are included at the balance sheet at their open market values. This policy represents a departure from statutory accounting principles, which require depreciation to be provided on all fixed assets. The directors consider that this policy is necessary in order that the accounts give a true and fair view, because current values are of prime importance rather than the calculation of systematic annual depreciation.
