Living Christmas Trees Limited

Notes to the abbreviated financial statements for the year ended 30 April 2005

1. Accounting policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Leasehold property	-	4% straight line per annum
Property improvements	-	20% reducing balance method
Plant and machinery	-	25% reducing balance per annum
Computer equipment	-	33.33% straight line per annum
Motor vehicles	-	25% and 27% reducing balance per annum

1.4. Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Rentals payable under operating leases are charged against income as incurred.

1.5. Stock

Stock is valued at the lower of cost and net realisable value. Cost is computed on a first in first out basis.

Net realisable value is based on estimated selling price less estimated cost of disposal.

1.6. Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes except to the extent that the director considers that a liability to taxation is unlikely to materialise.
