Skyglade Limited

Director's report for the year ended 31 July 2002

The director presents his report and the audited financial statements of the company for the year ended 31 July 2002.

Principal activities and review of business developments
The principal activity of the company is the leasing of furniture and equipment. In September 2001 the assets and business of the company were transferred to the University of Aberdeen. The company has now ceased trading and consequently the financial statements are prepared on the net realisable value basis.

Directors
No director held beneficial interests in the shares of the company.

Special provisions relating to small companies
This report has been prepared in accordance with the special provision of Part VII of the Companies Act 1985 relating to small companies.

Statement of director's responsibilities
Company law requires the director to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. The director is required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director confirms that suitable accounting policies have been used and applied consistently. He also confirms that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the year ended 31 July 2002 and that applicable accounting standards have been followed.

The director is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the Board

Steven J Cannon, Director

Skyglade Limited

Independent auditors' report to the members of Skyglade Limited

We have audited the financial statements on pages 5 to 9.

Respective responsibilities of director and auditors
The director's responsibility for preparing the Director's Report and the Financial Statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of director's responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This opinion has been prepared for and only for the company's members in accordance with Section 225 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or in to whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the director's report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and transactions is not disclosed.

We read the other information contained in the Annual Report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of audit opinion
We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Basis of preparation
We draw your attention to the principal activities, within the directors' report on page 2, which explains that the company has ceased trading. Adjustments have been made in these financial statements where necessary to reduce assets to their realisable value and to provide for liabilities arising from the decision. Our opinion is not qualified in this respect.

Skyglade Limited

Opinion
In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 July 2002 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the financial statements for the year ended 31 July 2002

1 Principal accounting policies

Basis of accounting
The financial statements are prepared in accordance with the net realisable value basis and the Financial Reporting Standard for smaller entities. The company's parent entity, the University of Aberdeen will meet its obligations and liabilities as they fall due.

Turnover
Turnover, which excludes value added tax and trade discounts, represents the invoiced value of goods and services supplied.

Operating leases
Costs in respect of operating leases are charged on a straight line basis over the lease term.

Deferred taxation
Provision is made for deferred taxation, using the liability method, on all material timing differences, to the extent that it is probable that a liability or asset will crystallise.

2 Analysis of turnover by geographical area

The company's turnover consists of activities which are considered to be wholly within the United Kingdom.
