ABBREVIATED BALANCE SHEET *(continued)*

30 SEPTEMBER 2011

The directors are satisfied that the company is entitled to exemption from the provisions of the Companies Act 2006 (the Act) relating to the audit of the financial statements for the year by virtue of section 477, and that no member or members have requested an audit pursuant to section 476 of the Act.

The directors acknowledge their responsibilities for:

- (i) ensuring that the company keeps adequate accounting records which comply with section 386 of the Act, and
- (ii) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 393, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

These abbreviated accounts were approved by the directors and authorised for issue on 29/06/12, and are signed on their behalf by:

A Mikheev
Director

The notes on pages 3 to 5 form part of these abbreviated accounts.

NOTES TO THE ABBREVIATED ACCOUNTS
YEAR ENDED 30 SEPTEMBER 2011

1. Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents the value of all text analysis, content extraction and document retrieval services delivered during the year, at selling price exclusive of Value Added Tax. Sales are recognised at the point at which the company has fulfilled its contractual obligations to the customer.

Intangible fixed assets

Intangible assets are capitalised and amortised in equal instalments over the directors' estimate of their useful economic life.

Amortisation

Amortisation is calculated so as to write off the cost of an asset, net of anticipated disposal proceeds, over the estimated useful economic life of that asset as follows:

The Intellectual Property Rights are amortised over five years

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Cost represents purchase price together with any incidental costs of acquisition.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, net of anticipated disposal proceeds, over the useful economic life of that asset as follows:

Fixtures & Fittings	- 20% Straight line
Computer Equipment	- 50% Straight line

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax, or a right to pay less tax, or a right to receive repayments of tax.

Deferred tax assets are recognised only to the extent that the directors consider it more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax assets and liabilities recognised have not been discounted.

Foreign currencies

Transactions denominated in foreign currencies are recorded at the rates of exchange ruling at the dates of the transactions, or at an average rate for the period if the rates do not fluctuate significantly. Monetary assets and liabilities are translated at year end exchange rates or, where appropriate, at rates of exchange fixed under the terms of the relevant transaction. The resulting exchange rate differences are charged to the profit and loss account.
