NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 NOVEMBER 2012

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The company's current liabilities exceeded its current assets by £185 at 30th November 2012. The company is thus dependent on the continued financial support of its creditors. The director is confident of this continuing support and of the company's long term trading prospects and on this basis considers it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from the withdrawal of financial support.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.
