STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 7 August 2000 and is a registered charity. The Charity is governed by the Companies Act 2006, the Charities and Trustee investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and its Memorandum and Articles of Association.

The Board of Directors is responsible for the overall governance of the Charity. The Board meets regularly to approve grants and to determine the Charity's policies. Directors are responsible for recommendations in respect of grants to other charities and voluntary organisations. Recommendations are made after due consideration of, and with reference to, the assessor's reports and evidence gathered through approved assessment guidelines. All applications and assessments greater than £500 are presented to the board the authority of which is required for these grants. Donations under £500 are approved by the Chairman.

Appointment, Recruitment and Training of Trustees

Trustees are appointed by the Board of Directors for a period of three years and are eligible for reappointment for subsequent term of three years. The Board of Directors recruits trustees with the necessary skills and experience from the football profession and other professions. New trustees are provided with an induction pack containing information about the role and responsibilities of a trustee.

**Field of Dreams
Report of the Trustees
for the Year Ended 31 August 2011**

Executive Director

The Executive Director is responsible for the day-to-day management of the Charity's affairs and for implementing policies agreed by the Board of Directors.

Group structure

The Charity has a wholly owned subsidiary Football Aid Trading Limited.

Football Aid was an idea born out of the desire to create an exciting and rewarding way to raise funds for diabetes research. Football Aid receives the full endorsement and support of The Scottish Football Association, The FA Premier League, The Scottish Premier League, The Football League, The Professional Footballers Association and The League Managers Association.

During the period the charity continued to support Football Aid and distributed funds, as determined by the directors, to various community projects, diabetes related projects and charities.

Corporate Governance

Internal controls over all forms of commitment and expenditure continue to be refined to improve efficiency. Processes are in place to ensure that performance is monitored and that appropriate management information is prepared and reviewed regularly by both the executive management and the Board of Directors. A programme of internal review is in place, derived from a comprehensive risk assessment.

The systems of internal control are designed to provide reasonable but not absolute assurance against material misstatement or loss. They include:

- A strategic plan and annual budget approved by the Directors;
- Regular consideration by the Directors of financial results, variances from budgets, non-financial performance indicators and benchmarking reviews;
- Delegation of day-to-day management authority and segregation of duties; and
- Identification and management of risks.

Risk management

The directors have implemented a formal risk management process to assess business risks and implement risk management strategies. This involved identifying the types of risks the charity faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of mitigating the risks. As part of this process the Directors have reviewed the adequacy of the charity's current internal controls. Procedures have been established for reporting failings immediately to appropriate levels of management and to the Board of Directors. The principal risks and uncertainties facing the charity and group centre on our continuing dependency on Football Aid Trading Limited (Football Aid) for the financing of our essential activities.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The company's objects are to :-

- 1) Further such of the charitable objects and objectives of the Juvenile Diabetes Research Foundation (JDRF), Diabetes (UK) and other such recognised charities and voluntary organisations as the directors may approve, and
- 2) Carry out other activities that are exclusively charitable in law as the directors may see fit.

Since its inception 10 year ago, Field of Dreams has continued to aim through its fundraising events and grant-making activities, to support research directed towards finding a cure for Type 1 Diabetes and to supporting the management of the condition. In the 10th year of the charity, the Trustees took the decision to broaden the scope of its grant giving beyond Diabetes. Grants considered may include any charity or voluntary organisation nominated by the board as appropriate. We also give grants to support registered charities and voluntary and community organisations that are sponsored by our sports partners.

ACHIEVEMENT AND PERFORMANCE

Achievements and Performance

This year's and the coming year's key objectives and the impact of our achievements this year are summarised as follows:

Football Aid, the wholly owned subsidiary of the charity, will continue its aims of maximising revenue from its activities of organising football matches and related events, and selling places in these to fans via direct marketing and its website. It is hoped to further increase profits donated to the Charity.

Employees

The Field of Dreams Group aims to be an organisation in which employees enjoy a sense of fulfilment and feel supported and developed. Employees are kept fully informed about its strategy and objectives, as well as day-to-day news and events. Regular information about the organisation is available through meetings and briefings. All employees are encouraged to give their suggestions and views on performance and strategy.

The Charity supports equal opportunities and has a policy of recruitment and promotion on the basis of aptitude and ability without discrimination.

The Charity is committed to the training, career development and promotion of all employees. An individual's career development is assessed through annual appraisal and supervision.

FINANCIAL REVIEW

Results for the year

The result for the year was a surplus of £34,509 (2010 deficit £4,482).

Reserves policy

The Board of Directors has examined the Charity's requirements in light of the main risks affecting the Charity. A policy whereby the unrestricted funds of the Charity should be between three and six months of the expenditure has been established. Reserves include committed funds for Diabetes related projects, local community and voluntary organisations and nominated charities of the Football Authorities.

Investment Powers

The directors have the power under the company's memorandum of association to invest the monies of the charity, not immediately required for the furtherance of its objects, in or on such investments, securities or property as may be thought fit and to appoint an investment manager to invest the monies of the charity.

FUTURE PLANS

Football Aid will continue to offer the finest quality unique experience to supporters of many of the UK's top Football Clubs, always striving to raise the bar of our events. As we progress beyond our 10th year (a significant milestone) we continue our aim to improve the quality of our events. We will concentrate on increasing the revenue generated by each Club opportunity by taking fresh approaches to marketing to create a wider target audience. In achieving this, our goal of raising significant funds for our charities should be achieved.

We have streamlined the organization in terms of staffing levels. We will look towards using experienced volunteers along with students who have been part of our events team in previous years and who are familiar with the planning and delivery of our events.

From the 2010/11 Season we took a proactive and stricter approach to club funds in order to safeguard our own financial stability, and it seems to date that our partner clubs have been satisfied with funds available. This is the approach we will continue to adopt moving forward.

As noted in our Objectives and Aims, the Trustees have taken the decision to broaden the scope of its grant giving beyond Diabetes. In 2010/11 it was decided that Maggie's Cancer Caring Centres would be our specific charity partner and we are exploring the possibility that Maggie's Cancer Caring Centres will be our main beneficiary again in the 2011/12 Field of Dreams grant allocation. This will be dependant on the anticipated event activity with HSBC who are Maggie's main corporate donor.

Through identifying a specific charity 'partner' (i.e. Maggie's), we will aim to utilise any appropriate PR and media opportunities to support any exposure and raise awareness. In this we must also ensure that Football Aid as a brand and organisation is not overlooked in any coverage.

It is also worth noting that we do have an amount in Unrestricted Funds to be allocated to diabetes related charities, and we continue to seek out appropriate projects.

With further consolidation of our existing 'Live the Dream' product, and with support from corporate partners, the income generated by sales of existing UK Clubs should hopefully increase in the next 12 months despite the current economic situation. This will be achieved through careful selection and early sign up of our partner Club base across the FA Premier League, the Championship, Football League, and the Scottish Premier League, along with a number of additional clubs targeted for increased revenue opportunities and enhanced partner club relationships. An early launch and a strong sales mechanic will stabilise cash flow and provide a healthy balance sheet throughout the year. Constant and consistent club engagement, with both existing and targeted clubs should also hopefully allow for planned and unplanned opportunities to open up for Football Aid. We have enhanced our communication and contacts with a number of former players associations at our partner clubs, and this has reaped its rewards with an increased number of former players attending our events. It is hoped that this network of contacts will grow.

Football Aid has a strong track record in delivering events of the highest quality and in turn raising funds for club charities. We must focus on the years of experience we have and the support and endorsement we continue to receive from the governing bodies, leagues, and partner clubs. This will provide a substantial platform for us when faced with any complications with club involvement.

Business enrichment opportunities exist in joint venture activities with club brands, their approved sponsors and broadcasters both in the UK and beyond. Football Aid continues in its aims to play a significant role in leveraging football as a positive contributor to society through specific fundraising and community initiatives. We will aim to capitalise on our core competencies and unique selling point in relation to our significant experience and skills in terms of our event management delivery. In this we will initially look to target carefully selected partner clubs who we can offer our 'event managements services' to for any additional pitch activity hosted at the respective stadiums

**Field of Dreams
Report of the Trustees
for the Year Ended 31 August 2011**

We will place ourselves in a strong position to secure sponsorship across the many available opportunities. . A dedicated targeted approach to relevant and specific sponsors and corporate partners is being adopted and should result in a successful outcome. The main focus has been on the ongoing relationship with HSBC we enjoyed in 2010/11 through our relationship with Maggie's. There is a strong desire from HSBC to continue the partnership with Football Aid, and this will be developed in the months ahead with the aim being to enhance funds raised along with the association of working alongside a major brand.

Through ongoing communication and meetings, our aim is to continue to be looked upon as an important part of the clubs' annual calendar. Football Aid aims to fully exploit all revenue generating opportunities with core product and new developments providing what is sure to be another exciting year for Football Aid.

TAXATION STATUS

The company is recognised by HM Revenue and Customs as a Scottish Charity.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Field of Dreams for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the trustees are aware, there is no relevant information (as defined by Section 418 of the Companies Act 2006) of which the charitable company's auditors are unaware, and each trustee has taken all the steps that they ought to have taken as a trustee in order to make them aware of any audit information and to establish that the charitable company's auditors are aware of that information.

AUDITORS

The auditors, Ogilvie & Company Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

C. Paterson
Chairman

Date.....14/3/2012.....

Report of the Independent Auditors to the Trustees and members of Field of Dreams

We have audited the financial statements of Field of Dreams for the year ended 31 August 2011 on pages eight to seventeen. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the members and the charitable company's members and trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charitable company's affairs as at 31 August 2011 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements.

**Report of the Independent Auditors to the Trustees and Members of
Field of Dreams**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the parent charitable company has not kept proper and adequate accounting records or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company's financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Report of the Trustees.
