NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30 APRIL 2009

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Consolidation

In the opinion of the directors, the company and its subsidiary undertakings comprise a small group. The company has therefore taken advantage of the exemption provided by Section 398 of the Companies Act 2006 not to prepare group accounts.

Turnover

The turnover shown in the profit and loss account represents cockling licences issued and related income received during the year.

Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Equipment - 25% straight line

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

3. COMPANY LIMITED BY GUARANTEE

The income and property of the Company whencesoever derived shall be applied solely towards the promotion of its objects and no portion thereof shall be paid or transferred directly or indirectly by way of a dividend, bonus or otherwise howsoever by profit to members of the Company and no Director of the Company shall be appointed to any office of the Company paid by salary or fees or receive any remuneration or other benefit in money or moneysworth from the Company.

Every member of the Company undertakes to contribute such amount as may be required (not exceeding £1) to the Company's assets if it should be wound up while he is a member or within one year after he ceases to be a member, for payment of the Company's debts and liabilities contracted before he ceases to be a member, and of the costs, charges and expenses of the winding up, and for the adjustment of the rights of the contributories among themselves.

If upon the winding up or dissolution of the Company there remains any property whatsoever the same shall not be paid or distributed among the members of the Company but shall be given or transferred to some other body or bodies having similar objects of the Company or to some charitable body.

4. GOING CONCERN

The accounts have been prepared on the going concern basis despite total liabilities exceeding total assets by £2,223, a loss for the year of £2,223 being incurred. The directors believe that the going concern basis is appropriate due to the support provided by its wholly owned subsidiary, Solway Shellfish Management Trading Limited, whose balance sheet is in excess of the liabilities of the Association.
