Notes to the Abbreviated Accounts

For the year ending 31 January 2012

1 Accounting policies**Basis of preparing the financial statements**

The Company meets its day to day working capital requirements by way of financing by Mr S. D. Oliver and Mr G. Dalglish personally. It is the intention of the directors to continue to finance the Company and the accounts have therefore been prepared on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover is represented predominately by net members subscriptions and miscellaneous sales of goods, excluding value added tax.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over the term of the lease to provide a realistic net book value at the end of the lease as provided by the asset supplier. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Improvements to property	0% not provided
Plant and machinery	20% on cost
Plant and machinery	0% Over the remaining life of the lease
Fixtures and fittings	20% on cost
Computer equipment	20% on cost
