NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JULY 2012

1. ACCOUNTING POLICIES

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover
Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold property	- 2% on cost
Plant and machinery	- 15% on reducing balance
Fixtures and fittings	- at variable rates on reducing balance
Motor vehicles	- 25% on reducing balance

Stocks
Work in progress is valued at the lower of cost and net realisable value.

Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred tax
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments
Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits
The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
