STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 4 May 2001 and registered as a charity on 8 September 1992. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of Management Committee

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Board of Directors. Under the requirements of the Memorandum and Articles of Association the members of the Board are elected to serve for a period of one year after which they must be re-elected at the next Annual General Meeting.

The charity's work focuses upon vulnerable people. The Board of Directors seeks to ensure that the needs of service users are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has, through local networking and publicity, sought to identify service users who would be willing to become members of Oxfangs Care and use their own experience to assist the charity.

Directors' Induction and Training

New directors are invited and encouraged to attend a series of short training sessions to familiarise themselves with the charity and the context within which it operates. These are led by the Oxgangs Care Manager and cover:

- The obligations of the members of the Board of Directors
- The main documents which set out the operational framework for the charity including the Memorandum and Articles
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

A Directors Handbook has also been prepared, drawing information from the Office of the Scottish Charity Regulator and Companies House, as a follow up to these sessions. This is distributed to all new trustees along with the Memorandum and Articles and the latest financial statements.

Risk Management

The Board has conducted a review of the major risks to which the charity is exposed. A risk register has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to Oxgangs Care. The continuing implementation of the National Care Standards ensure a consistent quality of delivery for all operational aspects of the charity. These procedures are periodically reviewed by a subgroup of the Board to ensure that they continue to meet the needs of the charity.

Organisational Structure

Oxgangs Care has a Board of Directors of up to 15 members who meet bi-monthly and are responsible for the strategic direction and policy of the charity. At present the Board has two advisors from professional backgrounds relevant to the work of the charity. Advisors attend Board meetings but have no voting rights. The Manager also attends Board meetings but has no voting rights. Other staff are invited to attend Board meetings as required.

A system of delegation is in place and day-to-day responsibility for the provision of the services rest with the Manager. The Manager is responsible for ensuring that the charity delivers the services specified and that key performance indicators are met. The Service Managers/Coordinators have responsibility for the day-to-day operational management of their respective services, individual supervision of the staff team, and ensuring that their service teams continue to develop their skills and working practices in line with good practice.

Related Parties

In so far as it is complimentary to the charity's objects, Oxgangs Care is guided by both local and national policy. It also participates in local partnerships, which include representatives from the local authority, health and voluntary sector agencies. The representation within these partnerships has proved invaluable to the charity in establishing improved links within the community and identifying relevant policy developments and prospective funding.

OBJECTIVES AND ACTIVITIES

The Organisation

Oxgangs Care (OC) is a locally based voluntary organisation and a charitable company limited by guarantee. It provides direct help and support through a range of services for isolated, vulnerable and disadvantaged people living in Oxgangs and surrounding areas, including hard-to-reach groups. It is governed by a Board of Directors made up of local residents and service users.

Vision Statement

A vibrant, inclusive and caring Oxgangs.

Mission Statement

To become the lead agency in enabling people in the area who are disadvantaged by illness, disability, and/or responsibilities of care to realise their own personal aspirations and to participate more fully in the life of the community.

Strategic Priorities

- To identify unmet care needs in the community
- To design and deliver cost-effective, community-based support services in response to identified unmet needs and in partnership with statutory and other voluntary agencies working in the area
- To involve members of the local community in the planning, delivery and management of OC services
- To develop the organisation's capacity to meet its corporate objectives and operational aims and objectives

Corporate Objectives

- To pursue an ongoing programme of consultation and research into local care needs
- To pursue closer working partnerships with other agencies and stakeholders in pursuit of OC's strategic priorities and its operational aims and objectives
- To initiate and/or participate in local stakeholder groups, set up to address identified needs

OXGANGS CARE

DIRECTORS ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2012

- To initiate and/or participate in needs-led service developments, in partnership with other groups and organisations
- To monitor the quality and effectiveness of all service developments undertaken, and to use the results of this monitoring to improve OC's service standards
- To develop a set of management structures and behaviours to support OC service provision and assure quality of service

Principal Activities During 2011-2012

- Providing day care services to vulnerable older people through the Braidburn Club, the Carnethy Club, the Craiglockhart Tea Group, the Monday Club, the Pentland Currie Group, the Pentland Lunch Club, the Pentland Wednesday Club, the Pentland Young at Heart Group, and St Hilda's Day Service
- Providing support to the carers of vulnerable people through a Sitter Service and a Befriending Service
- Providing support to children with additional needs and their carers through a Young Persons' Mental Health Project and the Oxgangs Sure Start Project
- Working towards applying national standards of service
- Working in partnership with other agencies to develop services that best match the needs of the local population

ACHIEVEMENTS AND PERFORMANCE

The main areas of charitable activity remain the provision of day care services; carers support; and services for children and young people.

Our Day Services delivered centre-based and one-to-one support to a total of 96 individuals over the course of the year, and exceeded their contractual obligation to provide 303.6 hours of service by 57%.

Because of delays in the design and implementation of the Council's commissioning process, the organisation's contract, which was due to be renegotiated for the commencement of the current year, was extended for a further 12 month period. Accordingly, the organisation is currently engaged with the Council's Department of Health and Social Care in drawing up a service specification and unit cost for the contract that will succeed the present contract in April 2013. Work is still ongoing to consolidate the charity's older people's services in a dedicated facility within Central Oxgangs in partnership with Dunedin Canmore Housing Association and CEC Health and Social Care.

The Carers Befriending Project continues to steadily increased its capacity through volunteer recruitment. At March 2012, the service had 11 volunteer befrienders befriending relationships with local carers, and another two awaiting the outcome of a PVG/Disclosure check.

YEAR ENDED 31 MARCH 2012

The Young People's Mental Health Project was commissioned by Pentland Neighbourhood Partnership to investigate and report on the impact of the current troop deployments on the mental health of children from army families based at Dreghorn and Redford Barracks. The report was published in September 2011. On the basis of this report, the organisation was awarded an £7,265 Early Intervention by the Department for Children and Families, provide additional support to children from army families attending Firrhill High School and a counselling service for adults who live within the EH13 postcode area.

The organisation continues to work closely with NHS Lothian in supporting a newly established Health Action Group in the Oxgangs area and will be hosting a Community Health Development Worker from mid-2012.

Oxgangs Sure Start Project again secured a small amount of additional funding to carry out new pieces of work and to provide a service during the school summer holiday period. Changes in staffing arrangements and good housekeeping generally resulted in the Project again achieving a small operating surplus for the year.

The quality of the services Oxgangs Care provides is measured through Care Inspectorate inspection reports and service user evaluation.

Care Inspectorate Annual Inspection Reports

There were no annual inspections during the period 2011-12.

Service User Satisfaction Survey

The results of this year's user evaluation are as follows:

- 100% are satisfied with the information they receive about Oxgangs Care and the service they use
- 85% rate the care and support they receive as "very good"; 15% rate it as "good"
- 62% rate the premises the group meets in as "very good"; 38% rate them as "good"
- 30% rate the activities offered as "very good"; 70% rate them as "good"
- Of the 20% who attend groups where lunch is provided, 100% rate the food as "very good"

FINANCIAL REVIEW

Against the backdrop of limited resources and insecurities over funding, it has continued to be difficult to plan or develop services. A major task for the Directors during 2011-12 has been to maintain a small operating surplus. To this end, the Directors set a 'break-even' budget for 2011-12, in relation to which:

- Direct Charitable Expenditure came in at 4.7% under budget
- Expenditure on Management and Administration came in at 3.8% under budget

resulting in an overall operating surplus of £7,273 for the year

Despite this success, there are still issues which give the Directors cause for concern:

- Charges to service users are still being under-collected by 50%
- There is a lack of investment in staff training, which increases the risk of the organisation failing to comply with regulatory standards and reduces its capacity to take advantage of development opportunities

Oxgangs Care will be addressing these issues in the coming year.

Principal Funding Sources

The principal funding sources for the organisation's activities are the City of Edinburgh Council's Department of Health and Social Care (Day Care Services) and Department of Children and Families (Sure Start Project and Young People's Mental Health Project).

Investment Policy

The charity's plan to invest funds it holds in reserve has been frustrated by the need to use these reserves to meet operational deficits and the cost of redundancies. The charity will review this policy as and when the level of reserves it holds is restored.

Reserves Policy

The Board of Directors has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be 3 months of its expenditure. Budgeted expenditure for 2012-13 is £246,216, and therefore the target is £61,554 in general funds. The reserves are needed to meet the legal obligations of the charity, and the Board of Directors is confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of reserves available to the charity of £20,988 therefore falls significantly short of this target level. Although the strategy is to continue to build reserves through planned operating surpluses, the Board of Directors is well aware that it is unlikely that the target level can be reached for at least five years.

OXGANGS CARE

DIRECTORS ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2012

PLANS FOR FUTURE PERIODS

The charity plans to review its activities and its operating strategy for the forthcoming year in the light of further changes in the funding environment and, in particular, the increasing constraints on local government expenditure. This will again focus on the charity's core business and pursuing additional time-limited in response to local needs and available funding opportunities. Plans have also been developed to increase the capacity of the organisation to meet its corporate objectives and operational aims and objectives. This will involve implementing a set of management structures and behaviours to support OC service provision and assure quality of service, developing an ongoing programme of consultation and research into local care needs, and pursuing closer working partnerships with other agencies and stakeholders in pursuit of OC's strategic priorities and its operational aims and objectives.

The charity will also continue to work towards implementing the Care Inspectorate's National Care Standards in all its service activities, and will seek to register its day care services with the Care Inspectorate once it is clear where those services will be delivered from.

RESPONSIBILITIES OF THE DIRECTORS

The directors (who are also the directors of Oxgangs Care for the purposes of company law) are responsible for preparing the Directors Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with chapter 3 of section 16 of the Companies Act 2006, and to the charity's directors, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's directors those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's directors as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the directors' responsibilities statement set out on pages 8 and 9, the directors (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2012 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and

In our opinion the information given in the Directors' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

Resources expended are accounted for on an accruals basis and include attributable VAT, which cannot be recovered. Resources expended are allocated to the particular activity where the cost relates directly to that activity.

Charitable activities - Costs of charitable activities include all expenditure for promotion of the welfare of people with special needs.

Governance costs - Governance costs comprise all costs associated with the governance arrangements of the charity which relate to the general running of the charity.
