STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 4 May 2001 and registered as a charity on 8 September 1992. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of Management Committee

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Board of Directors. Under the requirements of the Memorandum and Articles of Association the members of the Board are elected to serve for a period of one year after which they must be re-elected at the next Annual General Meeting.

The charity's work focuses upon vulnerable people. The Board of Directors seeks to ensure that the needs of service users are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has, through local networking and publicity, sought to identify service users who would be willing to become members of Oxfangs Care and use their own experience to assist the charity.

Directors' Induction and Training

New directors are invited and encouraged to attend a series of short training sessions to familiarise themselves with the charity and the context within which it operates. These are jointly led by the Oxfangs Care Manager and Edinburgh Voluntary Organisations' Council (EVOC) and cover:

- The obligations of the members of the Board of Directors

OXGANGS CARE

DIRECTORS ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2014

- The main documents which set out the operational framework for the charity including the Memorandum and Articles
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

A Directors Handbook has also been prepared, drawing information from the Office of the Scottish Charity Regulator and Companies House, as a follow up to these sessions. This is distributed to all new trustees along with the Memorandum and Articles and the latest financial statements.

Risk Management

The Board has conducted a review of the major risks to which the charity is exposed. A risk register has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to Oxgangs Care. The continuing implementation of the National Care Standards ensure a consistent quality of delivery for all operational aspects of the charity. These procedures are periodically reviewed by a subgroup of the Board to ensure that they continue to meet the needs of the charity.

Organisational Structure

Oxgangs Care has a Board of Directors of up to 15 members who meet bi-monthly and are responsible for the strategic direction and policy of the charity. The Manager also attends Board meetings but has no voting rights. Other staff are invited to attend Board meetings as required.

A system of delegation is in place and day-to-day responsibility for the provision of the services rest with the Manager. The Manager is responsible for ensuring that the charity delivers the services specified and that key performance indicators are met. The Service Managers/Coordinators have responsibility for the day-to-day operational management of their respective services, individual supervision of the staff team, and ensuring that their service teams continue to develop their skills and working practices in line with good practice.

Related Parties

In so far as it is complimentary to the charity's objects, Oxgangs Care is guided by both local and national policy. It also participates in local partnerships, which include representatives from the local authority, health and voluntary sector agencies. The representation within these partnerships has proved invaluable to the charity in establishing improved links within the community and identifying relevant policy developments and prospective funding.

OBJECTIVES AND ACTIVITIES

The Organisation

Oxgangs Care (OC) is a locally based voluntary organisation and a charitable company limited by guarantee. It provides direct help and support through a range of services for isolated, vulnerable and disadvantaged people living in Oxgangs and surrounding areas, including hard-to-reach groups. It is governed by a Board of Directors made up of local residents and service users.

Vision Statement

A vibrant, inclusive and caring Oxgangs.

Mission Statement

To become the lead agency in enabling people in the area who are disadvantaged by illness, disability, and/or responsibilities of care to realise their own personal aspirations and to participate more fully in the life of the community.

Strategic Priorities

- To identify unmet care needs in the community
- To design and deliver cost-effective, community-based support services in response to identified unmet needs and in partnership with statutory and other voluntary agencies working in the area
- To involve members of the local community in the planning, delivery and management of OC services
- To develop the organisation's capacity to meet its corporate objectives and operational aims and objectives

Corporate Objectives

- To pursue an ongoing programme of consultation and research into local care needs
- To pursue closer working partnerships with other agencies and stakeholders in pursuit of OC's strategic priorities and its operational aims and objectives
- To initiate and/or participate in local stakeholder groups, set up to address identified needs
- To initiate and/or participate in needs-led service developments, in partnership with other groups and organisations
- To monitor the quality and effectiveness of all service developments undertaken, and to use the results of this monitoring to improve OC's service standards
- To develop a set of management structures and behaviours to support OC service provision and assure quality of service

Principal Activities During 2013-2014

- Providing day care services to vulnerable older people through the Braidburn Club, the Carnethy Club, the Craiglockhart Tea Group, the Friday Coffee Group, the Monday Club, the Pentland Currie Group, the Pentland Lunch Club, the Pentland Wednesday Club, the Pentland Young at Heart Group, and St Hilda's Day Service
- Providing support to the carers of vulnerable people through a Sitter Service and a Befriending Service
- Providing support to children with additional needs and their carers through the Oxgangs Sure Start Project
- Working towards applying national standards of service
- Working in partnership with other agencies to develop services that best match the needs of the local population

ACHIEVEMENTS AND PERFORMANCE

The main areas of charitable activity remain the provision of day care services, carers support, and services for children and young people.

Our Day Services delivered centre-based and one-to-one support to a total of 116 individuals over the course of the year, and exceeded their contractual obligation to provide 303.6 hours of service per week.

Because of further delays in the design and implementation of the Council's commissioning process and changes in policy in respect of national personalisation and self-directed care agendas, the organisation's contract, which was due to be renegotiated for the commencement of the current year, was extended for a yet a further 12 month period until March 2015. The indications are that the expectations of voluntary sector organisations will be that they will concentrate on delivering early intervention, anticipatory and preventative care services to people who would not qualify for Direct Payments, and that this will require us to reshape our services to attract continued Council investment. From April 2015 this investment will be in the form of grants rather than commissions. The Board held a strategic planning day during the course of in September 2013 to prepare a business plan/proposal to prepare Oxgangs Care for the changes that will need to take place.

Towards reshaping its services Oxgangs Care acquired from Dunedin Canmore a ground floor, fully accessible amenity flat in Oxgangs Crescent for use as an older people's social centre. This is currently being developed to provide a Monday-Friday preventative support service for older people at risk of social isolation.

The Carers Befriending Project continues to steadily increase its capacity through volunteer recruitment.

OXGANGS CARE

DIRECTORS ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2014

The Sitter Service recovered from its poor Inspection Report in 2012-13 with improved grades in respect of its Quality of Care and Support ('Good'), Quality of Staffing ('Adequate'), and Quality of Management and Leadership ('Adequate') following its most recent inspection. The City of Edinburgh Council has indicated that it will not be commissioning this service from Oxgangs Care after March 2015. The Board are currently looking at the future of the Sitter Service in the light of its plans for reshaping Oxgangs Care services. The intention is for the Sitter Service to be incorporated into a new grant-funded one-to-one support service. However, it is likely that posts within the service will become redundant as a result and that the organisation will be liable for redundancy payments.

Oxgangs Care continues to work closely with NHS Lothian in hosting a Community Health Development Worker. The Worker has initiated and/or facilitated a range of community-led activities, including the highly successful Hope Triangle Project. The Hope Triangle Health Action Group is using the Flat for some of its activities.

Oxgangs Sure Start Project was again successful in securing additional funding to carry out new pieces of work and to provide a service during the school summer holiday period. The Project again achieved an operating surplus for the year and is no longer operating with a cumulative deficit. Additional funding was also secured to enable the Project to further enskill its staff, who are now working towards SVQ Level 3. The Sure Start Manager also continues in the role of Lead Signatory for the organisation, which has greatly improved our Child and Adult Protection procedures.

FINANCIAL REVIEW

Against the backdrop of limited resources and insecurities over funding, it has continued to be difficult to plan or develop services. A major task for the Directors during 2013-14 has been to maintain a small operating surplus. To this end, the Directors set a 'break-even' budget for 2013-14, and achieved a net operating surplus of £11,761. The most notable achievement, however, is that for the first time in many years no individual project/service is operating with an accumulated deficit.

Despite this success, there are still issues which give the Directors cause for concern:

- staffing costs will increase when new legislation relating to workplace pensions comes into force
- client transport continues to be the biggest cost to the organisation next to salaries

Oxgangs Care will be addressing these issues in the coming year.

Principal Funding Sources

The principal funding sources for the organisation's activities are the City of Edinburgh Council's Department of Health and Social Care (Day Care Services) and Department of Children and Families (Sure Start Project).

Investment Policy

The charity is still seeking investment opportunities which will secure some additional income from the funds it holds in reserve. The current economic climate is not conducive to this.

Reserves Policy

The Board of Directors has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be 3 months of its expenditure.

OXGANGS CARE

DIRECTORS ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2014

Budgeted expenditure for 2014-15 is £243,304, and therefore the target is £60,826 in general funds. The reserves are needed to meet the legal obligations of the charity, and the Board of Directors is confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding.

The present level of reserves available to the charity of £5,683 therefore falls significantly short of this target level. Although the strategy is to continue to build reserves through planned operating surpluses, the Board of Directors is well aware that it is unlikely that the target level can be reached in the foreseeable future.

PLANS FOR FUTURE PERIODS

The charity plans to review its activities and its operating strategy for the forthcoming year in the light of further changes in the funding environment and, in particular, the increasing constraints on local government expenditure and the implementation of the Scottish Government's personalisation agenda and increased focus on early intervention. This will again focus on the charity's core business and pursuing additional time-limited projects in response to local needs and available funding opportunities.

The charity will also continue to work towards implementing the Care Inspectorate's National Care Standards in all its service activities.

The Board of Directors and staff team held an externally facilitated 'Away Day' in September 2013, to begin the process of developing a strategic plan for 2014-17 in response to changes in the business environment. This process has continued via a subsequent series of planning meetings.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors (who are also the directors of Oxgangs Care for the purposes of company law) are responsible for preparing the Directors Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

DIRECTORS' RESPONSIBILITIES STATEMENT *(continued)*

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITOR

Charles Burrows & Co are deemed to be re-appointed under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005.

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as each director is aware, there is no relevant audit information of which the charity's auditor is unaware; and
- each director has taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

OXGANGS CARE

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS AND MEMBERS OF OXGANGS CARE

YEAR ENDED 31 MARCH 2014

We have audited the financial statements of Oxgangs Care for the year ended 31 March 2014 on pages 11 to 17. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the charity's directors and members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charity's directors those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's directors as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITOR

As explained more fully in the Directors Annual Report, the directors (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2014 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustees Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

OXGANGS CARE

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS AND MEMBERS OF OXGANGS CARE

YEAR ENDED 31 MARCH 2014

EMPHASIS OF MATTER - GOING CONCERN

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements concerning the charity's ability to continue as a going concern. The charity has not yet received confirmation of funding from the City of Edinburgh Council from 1 April 2015. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the charity's ability to continue as a going concern. The financial statements do not include the adjustments that would result if the charity was unable to continue as a going concern.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Directors Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the charity has not kept proper and adequate accounting records or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Directors Annual Report.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2014

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and the requirements of the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005), the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity has not yet received confirmation of funding from the City of Edinburgh Council from 1 April 2015. While the directors have no reason to believe this funding will not be forthcoming, they plan to review activities accordingly. The accounts are therefore prepared on a going concern basis.

Income

All incoming resources including grants and donations are recognised once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

Fund accounting

Unrestricted funds are those which can be used within the charity's objectives, at the discretion of the directors.

Restricted funds are those which can only be used for particular restricted purposes within the charity's objectives. Funds are restricted when their purpose is specified by the donor, by the terms of an appeal or where they are raised for a particular purpose or project.

Resources expended

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to the expenditure. Resources expended are accounted for on an accruals basis and include attributable VAT, which cannot be recovered. Resources expended are allocated to the particular activity where the cost relates directly to that activity.

Charitable activities - Costs of charitable activities include all expenditure for promotion of the welfare of people with special needs.

Governance costs - Governance costs comprise all costs associated with the governance arrangements of the charity which relate to the general running of the charity.

Fixed assets

All fixed assets are initially recorded at cost.
