Status of Charity and Governing Document

Oxgangs Care (OC) was registered as a charity on 8 September 1992 and incorporated on 4 May 2001 as a charitable company limited by guarantee. The Company was established under a Memorandum of Association which established its objects and powers as a charitable company and is governed under its Articles of Association. It is both a registered Company (No. SC219244) and a Scottish Charity (No. SC027609).

Directors

The active Directors and Company representatives during 2023 were:

Mrs E Aitken	Vice Chair
Mr E Barry	Secretary / Treasurer
Mr I Paterson	
Mrs M Randall	Chair
Bernadette Thornley	
Mr Ian Williamson	

Senior managers

Mrs E Black	General Manager
-------------	-----------------

Recruitment and appointment of the Board of Directors

The Directors of the Charitable Company are also Charity Trustees for the purposes of charity law and, under the Company's Articles, are known as members of the Board of Trustees. Under the requirements of the Memorandum and Articles of Association, the members of the Board are elected to serve for a period of one year after which they must be re-elected at the next Annual General Meeting.

The charity's work focuses upon vulnerable people. The Board of Directors seeks to ensure that the needs of service users are appropriately reflected through the diversity of the Trustee body. Oxgangs Care has been through a period of considerable change. The current Board recognises an ongoing need to prioritise the recruitment of suitable Board members and is developing strategies to achieve this.

Directors' induction and training

New directors are invited and encouraged to attend a series of short training sessions to familiarise themselves with the charity and the context within which it operates. These are jointly led by the Oxgangs Care manager and Edinburgh Voluntary Organisations' Council (EVOC) and cover the following:

Oxgangs Care

Trustees' Annual Report (Including Directors Report) for the year ended 31 March 2023

Directors' induction and training (continued)

- The obligations of the members of the Board of Directors
- The main documents which set out the operational framework for the charity including the Memorandum and Articles
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

A Directors' handbook has also been prepared, drawing information from the Office of the Scottish Charity Regulator and Companies House, as a follow up to these sessions. This is distributed to all new Trustees along with the Memorandum and Articles and the latest financial statements.

Day-to-day management

A system of delegation is in place and day-to-day responsibility for the provision of the services rest with the general manager. The general manager is responsible for ensuring that the charity delivers the services specified and that key performance indicators are met. The service manager/coordinators have responsibility for the day-to-day operational management of their respective services, individual supervision of the staff team, and ensuring that their service teams continue to develop their skills and working practices in line with good practice.

Objectives and activities

Purposes and aims

The charity's purposes as set out in the objects contained in the company's memorandum of association are to promote the welfare of people who have special care needs, including those who are disabled or frail (physically or mentally), and their carers within the neighbourhoods of Braids, Buckstone, Caiystane, Colinton, Colinton Mains, Craiglockhart, Fairmilehead, Firrhill, Morningside, Oxgangs and Swanston.

The aims of our charity are to:

- Identify unmet care needs within the community
- Design and deliver cost-effective, community-based support services in response to identified unmet needs and in partnership with statutory and other voluntary agencies working in the area
- Involve members of the local community in the planning, delivery and management of OC services
- Develop the organisation's capacity to meet its corporate objectives and operational aims and objectives

Our aims fully reflect the purpose that the charity was set up to further.

Ensuring that our work delivers our aims

We aim to ensure our work delivers our aims by providing ongoing support, supervision and training of staff, the manager attends all Board meetings to report on the work of the organisation and staff who are not present provide written progress reports. In addition, the manager oversees on-going monitoring and evaluation of provision with the services users. The manager attends all meetings with the Commissioning Officer held 6 weekly and reports back to the Board.

Achievements and performance

A tender for transport services was sent to all Edinburgh Community Transport organisations. Lothian Community Transport Services were the successful bidders and provide the transport for the day service at time of reopening and continues to be our provider in this matter.

The manager has a solid team who work well, attending mandatory training sessions as well as continuing their own professional development. Staff retention is not an issue and OC receives excellent feedback throughout the year via questionnaires and forums held bi-annually.

Oxgangs Care

Trustees' Annual Report (Including Directors Report) for the year ended 31 March 2023

Achievements and performance (cont'd)

We continue our successful collaboration with Oxgangs Neighbourhood Centre who now provide a two-course meal for our service users.

The service has gone from strength to strength since reopening, with a greater range of activities and events on offer. Our refreshed Facebook page allows families and carers to be involved and updated. OC has a fully interactive Website which conveys all our regulatory matters with links to Complaints Policy and Duty of Candour. O.C communicates fully with its stakeholders via biannual questionnaires, carer and family questionnaires and forums where people can come in and see what we do whilst asking any questions they many have. We have people asking for additional days on top of the ones that they already have, showing that they like what we do.

OC has a new Volunteer Coordinator who oversees the Befriending Service. She has settled in and is now running this efficiently with Volunteer recruitment days and a waiting list of people who would like to have a Befriender.

Over the period a full review of the budget, staff structure, job descriptions and salaries were undertaken. A salary uplift for all staff was implemented on 1st April 2023.

Through the year we have reviewed all our policies and procedures to ensure they are consistent and reflect current legislation and guidance.

Some decorating has taken place in the hallway and plans to replace the existing dining room chairs is afoot with more ergonomic chairs in a better style.

OC has entertainment bought in monthly for our service users to enjoy and trips planned out to local points of interest a few times per year.

Summary and future plans

Oxgangs Care has reviewed its business plans to meet with the requirements of the Council and this has been passed by the Board of Directors.

Financial review

Principal funding sources

Aside from the value contributed by the freely given time of our volunteers and the goodwill of the local community, the principal funding sources for the charity are currently by grants and contract income from the City of Edinburgh Council. The charity recognises that, as a result of increasing constraints on local authority expenditure, its continued dependence on this source represents a significant financial risk and that it should seek to minimise this risk by seeking funding from a much broader group of agencies and by using its assets to generate an income stream. This represents a challenge that the charity will need to address over the coming year.

Results for the year

The financial statements for the year are set out on pages 6 to 13. The Statement of Financial Activities on page 6 reflects net incoming resources of £11,898 (2022: net incoming resources of £39,664).

Reserves

The Company held unrestricted funds amounting to £99,633 (2022: £98,880) and restricted funds of £199,418 (2022: £188,273) at the year end. The Trustees aim to have reserves to cover three months expenditure. The reserves are needed to meet the working capital requirements of the charity and the Board of Directors are confident that at this level it would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of unrestricted reserves available to the charity of £99,633 (2022: £98,880) falls within this target level.

Oxgangs Care

Trustees' Annual Report (Including Directors Report) for the year ended 31 March 2023

Statement on Risk

The Board is currently undertaking its latest review of the major risks to which the charity is exposed. Where appropriate, systems or procedures will be added to those already in place to mitigate the risks the charity faces. Significant external risks to funding will be addressed in the strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to OC. The continuing implementation of the National Care Standards ensure a consistent quality of delivery for all operational aspects of the charity. These procedures are monitored on an ongoing basis by the Manager in line with the requirements of the Care Inspectorate and Scottish Social Services Council.

Statement of Directors' Responsibilities

The Directors (who are also Trustees for the purposes of charity law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Director's Report has been prepared having taken advantage of the small companies' exemption in the Companies Act 2006.

Approved by the Board on 20/11/2023 and signed on its behalf by:

Eric Barry

Company secretary and Treasurer

Oxgangs Care

Report of the Independent Examiner for the year ended 31 March 2023

I report on the accounts of the company for the year ended 31 March 2023 which are set out on pages 6 to 13.

Respective responsibilities of Trustees and examiner

The Charity's Trustees (who are also the Directors for the purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Charity's Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the Trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements:
 - To keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
 - To prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended)

Have not been met, or

2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The financial statements have been prepared in accordance with the Financial Reporting Standard FRS 102 and with the provisions applicable to companies subject to the small companies' regime.

For the year ending 31 March 2023 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities

The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of the accounts.

The financial statements were approved by the Board on 20/11/2023 and signed on their behalf by:

Eric Barry (Company secretary/Treasurer)

The notes on pages 8 to 13 form part of these financial statements.

Oxgangs Care

Notes to the Financial Statements for the year ended 31 March 2023

1. Accounting policies

Accounting convention

Oxgangs Care is a charitable company in Scotland. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are set out on pages 2-3.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

The Charity has taken advantage of the provisions in the SORP for charities applying FRS102 Update Bulletin 1 as published on 2 February 2016 and does not prepare a Statement of Cash Flows.

The Charity meets the definition of a public benefit entity under FRS 102.

Basis of financial statements

The financial statements have been prepared on an accruals basis.

Statement of Financial Activities

For the purpose of the Statement of Financial Activities as shown on page 6, funds are defined as follows:

Unrestricted funds represent donations and other incoming resources received and receivable to further the general objects of the charity without further restricted purpose or need for repayment and are available as general funds.

Restricted funds represent funds which are to be used in accordance with the specific restrictions imposed by the relevant supporter, or which have been raised by the charity for a specific purpose.

Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Oxgangs Care

Notes to the Financial Statements for the year ended 31 March 2023

Income recognition (cont'd)

Income with restrictive conditions, where the income can be used only for a specific purpose, is accounted for as a restricted fund.

All income is derived from activities within the UK.

Expenditure recognition

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes VAT which cannot be recovered and is classified under headings appropriate to the charities activities. Administration expenditure is considered to relate almost exclusively to the management of the charities for its charitable activities with minimal time consumed by fund raising issues. Expenditure on publications is written off as incurred and no value is placed on stock of publications.

Stock

Stock held at the year-end is for distribution at no cost, so stock has been valued at nil at the year end.

Cash and cash equivalents

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of twelve months or less from the date of acquisition or opening of the deposit or similar account.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Judgements in applying policies and key sources of estimation uncertainty

In preparing the financial statements, management is required to make estimates and assumptions which affect reported income, expenses, assets, and liabilities. Use of available information and application of judgement are inherent in the formation of estimates, together with past experience and expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from such estimates.

The Trustees are satisfied that the accounting policies are appropriate and applied consistently.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

Oxgangs Care

Notes to the Financial Statements for the year ended 31 March 2023

Financial instruments (cont'd)

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the charity would receive for the asset if it were to be sold at the balance sheet date.

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when the contractual rights to the cashflows from the asset expire, or when the charity has transferred substantially all the risks and rewards of ownership.

Financial liabilities are derecognised only once the liability has been extinguished through discharge, cancellation or expiry.

Pensions

The charity makes contributions into a defined contribution automatic enrolment pension scheme for employees. The assets of the scheme are held separately from those of the charity in independently administered funds.

Oxgangs Care

Total restricted funds	150,822	171,941	(134,490)	-	188,273

Explanation of funds

The *Link workers fund* represents funding from (EVOC) to employee 2 Community Link Workers for approximately 12 months. This project ended during 2020/21.

The *Day care services reserves fund* represents money allocated from the contract with Edinburgh City Council for day care services to cover any expected costs incurred if the service were to close.

The *Day Care Services fund* represents all income and expenditure relating to the centre based day care for frail older people. The structure of the Day Care services changed this year and all projects are now managed under the umbrella of "Day Care Services" as prescribed under the new contract structure of Edinburgh City Council. A transfer of £50,000 was made to the Day care services reserves fund to allocate funds restricted for the purpose of winding up costs.

15. Related party transactions

There were no transactions with related parties during the year to 31 March 2023 (2022: nil).
