Report of the trustees for the year ended 31 March 2016

The trustees, who are also the directors of the charity for the purposes of the Companies Act 2006 are pleased to present their report together with the financial statements of the charity for the year ended 31 March 2016.

Reference and administrative details as set out on page 1 forms part of this report.

The trustees have adopted the provisions of Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing accounts in accordance with the Financial Reporting Statement for Smaller Entities. The charity is affiliated to Crossroads Caring Scotland, a company limited by guarantee with charitable status registered in Scotland No 85401 and whose registered office is 24 George Square, Glasgow, G2 1EG.

Structure, Governance and Management

The charity is registered as a limited company and is governed by its memorandum and Articles of Association.

The charity's strategy and objectives are set and reviewed by the trustees. The appointed running of the charity is the responsibility of the manager.

Trustees are invited to the Board by the current Directors after assessing the potential contribution the individual could make to the organisation. New trustees are briefed on the operation of the charity, and meet the key staff, they are also informed of a trustees responsibilities.

The salaries of key staff are considered annually by the board.

The trustees throughout the year are as noted on page 1.

Risk Policy

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Objectives and Activities

The objects of the charity are set out in paragraph 5 of the Memorandum of Association of the company, the principal objectives being referred to as follows:

Within the area in which the scheme operates, to

- Reduce stress on the person or family caring for physically or mentally disabled or elderly persons, and
- In appropriate circumstances to care for disabled or elderly persons living alone.

There have been no changes in objectives since the last annual report.

The primary activities undertaken during the year to meet the charity objectives were:

The organisation has continued to provide a domiciliary service to adults and elderly persons with physical and mental health problems, and respite to all ages, relieving carers from their caring role. Referrals are primarily from Social Services, however some income also comes from private work.

Grant making policy

The charity does not distribute grants.

Achievements and Performance

Typically during the year our clients could be analysed as follows:

Elderly domiciliary - 84
Adult domiciliary - 8
Elderly respite - 0
Child & family respite - 3

In order to meet its objectives the charity is reliant upon maintaining an excellent relationship with its clients, the skill and dedication of its staff, and a professional relationship with Dumfries and Galloway Social Services.

Crossroads (Newton Stewart & Machars) Care Attendant Scheme

Report of the trustees for the year ended 31 March 2016

Financial Review

The charity had total incoming resources for the year of £939,572 representing an increase of 20% on 2015. Total resources expended amounted to £868,808 for the year as against £695,442 in 2015 (representing an increase of 25%). The charity had net income for the year of £70,764 (2015: £87,229).

The principal source of funding for the charity is the Social Services Department of Dumfries and Galloway Council

Reserves Policy

Under the requirements of charity law the trustees are obliged to define the charity's policy for holding reserves. The intention in establishing this reserves policy is to ensure the continuation of the charity's activities. The policy will enable the charity to meet its legal objectives, provide confidence to supporters and donors seeking to give financial support to a prudently controlled charity and to ensure that the reserves are at a level sufficient to discharge all of the charity's obligations in the event that it should cease operations. A large proportion of the charity's reserves are held in bank accounts. It is the directors considered opinion that in the unlikely event of the charity having to cease its operations there should be sufficient reserves available to allow for the charity's obligations to be discharged. This is not considered to be likely in the foreseeable future. The reserves which the charity is required to maintain are those needed to fund ongoing monthly costs and further development. To this end the trustees have decided that the charity should seek to have reserves which are not invested in fixed assets of a sum equal to not more than 6 months general running costs of the charity in addition to the resources required to discharge their obligations should the charity cease operations. This policy suggests that general funds (excluding fixed assets) should be approximately £435,000. General funds (excluding fixed assets) at the year end were £537,935.

Investment Policy

Under the memorandum and articles of association, the charity has the power to make investments which the trustees see fit, subject to them being:

- securities of governments and local authorities
- fixed interest stocks or shares of Companies
- ordinary stock and shares of Companies
- investment, financial or unit trusts quoted on a recognised stock exchange
- property unit trusts
- to purchase or lease property for its requirements

There are various restrictions regarding the specific location, and type of investment (detailed fully in the Memorandum of Association).

Plans For Future Periods

After the year end we were involved in a tender for future business for elderly domiciliary for D&G Council new packages. D&G Council have also insisted upon a real time monitoring system which we are currently implementing.

Trustees' responsibilities in relation to the financial statements

The Trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice.)

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate;
- observe the methods and principles of the Charities SORP; and
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Previously the trustees set up a designated fund for this contingency. The trustees currently believe the possibility of the charity being wound up is remote.

The Friends of Crossroads fund is designated to provide emergency respite care.

The general fund is maintained in order to allow the charity to meet its day to day financial commitments.
