Principal activities and trading review.

The company's principal activity is to provide and operate an alcoholism treatment centre.

The Hillock is a privately-owned alcoholism treatment centre, which gives its attention to no more than 5 clients at a time. Emphasis is based upon treating clients as individuals. Private bedrooms are offered, along with a communal lounge, dining room and reading room. An indoor, heated swimming pool is available in the grounds.

The following treatments are provided;

- Safe, painless withdrawal from alcohol using prescribed medication.
- Rest, comfort and good food.
- Peace to relax, in a stress free countryside environment.
- Individual therapy by experienced counsellors.
- Group therapy in regular meetings with members, and on-going care with telephone contact and correspondence.
- Back-up programme which lasts for a year.

Since its inception, the Hillock has enjoyed considerable success in helping a wide range of people to live happy and healthy lives without alcohol.

Reserves policy

The Members of Council have established a policy whereby the unrestricted funds held by the charity should be between 3 and 6 months of the resources expended, which equates to between £14,000 and £27,500 in general funds. At this level, the members feel that they would be able to continue the current activities of the charity in the event of a significant drop in funding. At present, the general reserves, which amount to £9,134, do not reach this target level and the members are considering ways in which additional unrestricted funds will be raised.

Members of Council

The Members of Council are directors of the company for the purposes of company law. The members of the company during the year were:-

Alex McKie (Appointed 9 July 2001)
Olive McKie (Appointed 9 July 2001)

No member had any beneficial interest in the company.

The company is limited by guarantee and therefore has no share capital. Every member of the company undertakes to contribute to the assets of the company in the event of the same being wound up while he or she is a member or within one year after ceasing to be a member for payment of the debts and liabilities of the company contracted before cessation of membership and of the costs, charges and expenses of winding up for the adjustment of the rights of the contributors amongst themselves, such amounts as may be required not exceeding £1.

Members' responsibilities

Company law requires the members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the members are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The financial statements were approved by Members of Council on 7 May 2003.
