On behalf of the board

Mr John Quinn

Director

9th December 2025

The notes on pages 3 to 4 form part of these financial statements.

Quinn's Limited
Notes to the Abridged Financial Statements
For The Year Ended 31 March 2025

1. General Information

Quinn's Limited is a private company, limited by shares, incorporated in Scotland, registered number SC227607 . The registered office is Brandon House Units 21-23 Brandon House, 23-25 Brandon Street, Hamilon, South Lanarkshire, ML3 6DA.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 section 1A Small Entities "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

2.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the sale of goods and from the rendering of services. Turnover is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

Rendering of services

Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs. Turnover is only recognised to the extent of recoverable expenses when the outcome of a contract cannot be estimated reliably.

2.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of the fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures & Fittings	25 % RB
Computer Equipment	33% SL

2.4. Financial Instruments

All financial assets and liabilities are measured at fair value. The fair value of an asset or liability at the year-end is the amount for which it could be exchanged or settled, on that date between two knowledgeable, willing parties in an arm's length transaction under market conditions.

3. Average Number of Employees

Average number of employees, including directors, during the year was: 2 (2024: 2)
