Score Marine Limited

Directors' report

The directors present their directors' report and the financial statements of the company for the 53 weeks ended 2 October 2008.

Principal activities

The principal activities of the company are that of naval engineering and of supply of naval engineering materials and labour.

Review of business and future developments

The principal customer of Score Marine Limited is the Marine and Auxiliary Systems Integrated Project Team (MXS IPT), which is responsible for naval valves and other auxiliary equipment in the Defence Logistics Organisation of the Ministry of Defence.

Turnover this year was down 14 % from £1,236,705 to £1,067,294 but the directors anticipate that turnover will increase in the forthcoming year.

Results and dividends

The directors do not recommend the payment of a dividend (2007: £nil). The profit for the 53 weeks of £172,444 (2007: profit £18,663) will be taken to reserves.

Directors

The directors of the company at 2 October 2008 and up to the date of this report are listed on page 1. In accordance with the Articles of Association the directors are not required to retire by rotation.

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Directors' report (Cont)

Statement of disclosure of information to auditors

So far as the directors are aware, there is no relevant audit information (as defined by Section 234ZA of the Companies Act 1985) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Auditors

The auditors, KPMG LLP, have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at the annual general meeting.

Independent auditors' report to the members of Score Marine Limited

We have audited the financial statements of Score Marine Limited for the 53 weeks ended 2 October 2008 which comprise the profit and loss account, the balance sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities on page 2.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the company's affairs as at 2 October 2008 and of its profit for the 53 weeks then ended;
- the financial statements have been properly prepared in accordance with the Companies Act 1985; and
- the information given in the Directors' Report is consistent with the financial statements.

Notes to the financial statements

1 Principal accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost, together with any other costs that are directly attributable to bringing the asset into working condition for its intended use.

Depreciation

Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight-line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

Fixtures, fittings and office equipment	25 – 50%
---	----------

Impairment

The company performs impairment reviews in respect of fixed assets whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. If the recoverable amount of the asset, being the higher of the asset's net realisable value and its value in use, is found to be less than its carrying value, then an impairment loss is recognised immediately in the profit and loss account.

Stock and work in progress

Stock and work in progress are stated at the lower of cost and net realisable value. Cost includes all direct expenditure and production overheads based on the normal level of activity. Provision is made where necessary for obsolete, slow moving and defective stocks.

Revenue recognition

Revenue is recognised when it is probable that the economic benefits associated with a transaction will flow to the company and the amount of revenue can be measured reliably. Revenue from product sales is recognised when the company has transferred to the customer the significant risks and rewards of ownership, which is normally upon delivery of the goods. Revenue from services is recognised as the service is provided. Revenues are stated net of sales taxes and trade discounts.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Score Marine Limited

1 Principal accounting policies (Cont)

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted. Deferred tax is measured on a non-discounted basis.

Warranty provision

Provision is made, based on an assessment of historical claims made, in respect of the estimated cost of settling claims that may arise on goods sold and services provided, that are still in the warranty period.

Cash flow statement

The company is a wholly owned subsidiary of Score Group plc and the cash flows of the company are included in the consolidated group cash flow statement of Score Group plc. Consequently the company is exempt under the terms of Financial Reporting Standard No. 1 from publishing a cash flow statement.

2 Turnover

All sales originate in and are destined for the United Kingdom.

3 Net operating expenses

Net operating expenses are analysed as follows:

	2008	2007
	£	£
Distribution costs	5,193	7,160
Administrative expenses	106,012	119,043
Net operating expenses	111,205	126,203

Score Marine Limited

20 Related party disclosures

As the company is a wholly owned subsidiary undertaking it has taken advantage of the exemption in FRS 8: "Related Party Disclosures" not to disclose those transactions with other group companies that are eliminated on consolidation.

21 Ultimate parent company and parent undertaking of larger group of which the company is a member

The Company is a subsidiary undertaking of Score Group plc which is the ultimate parent company incorporated in Scotland.

The only group in which the results of the Company are consolidated is that headed by Score Group plc. The consolidated financial statements of the group are available to the public and may be obtained from the company secretary at Glenugie Engineering Works, Peterhead, AB42 0YX. The directors regard Mr C B Ritchie as the ultimate controlling party by virtue of his controlling interest in the equity capital of Score Group plc.
