Score Marine Limited

Directors' report

The directors present their directors' report and the financial statements of the company for the 52 weeks ended 29 September 2011.

Principal activities

The principal activities of the company are that of naval engineering and supply of naval engineering materials and labour.

Review of business and future developments

The principal customer of Score Marine Limited continues to be the Marine and Auxiliary Systems Integrated Project Team (MXS IPT), which is responsible for naval valves and other auxiliary equipment in the Defence Logistics Organisation of the Ministry of Defence (MoD).

The vast majority of the valves for the first QEC class Aircraft Carrier have been delivered in the financial year and the company also completed a successful redesign, valve supply and commissioning project for the high pressure sea water systems on HMS Albion during her re-fit period.

Looking forward to the first deliveries of valves for the second QEC class Carrier and a new project for HMS Ocean when she comes in for re-fit will occur this year. This will be a repeat of the HMS Albion project, but the work scope has been increased to also supply new isolation valves on the sea water systems and all the hull valves.

Results and dividends

The directors do not recommend the payment of a dividend (2010: £nil). The profit for the 52 weeks of £257,534 (2010: profit £160,297) will be taken to reserves.

Directors

The directors of the company at 29 September 2011 and up to the date of this report are listed on page 1. In accordance with the Articles of Association the directors are not required to retire by rotation.

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

Score Marine Limited

Directors' report (Cont)

Statement of directors' responsibilities (cont)

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Statement of disclosure of information to auditor

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditor is unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Independent auditor's report to the members of Score Marine Limited

We have audited the financial statements of Score Marine Limited for the 52 weeks ended 29 September 2011 set out on pages 5 to 13. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's web-site at www.frc.org.uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 29 September 2011 and of its profit for the 52 weeks then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes to the financial statements

1 Principal accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules. The company's business activities, together with the factors likely to affect its future developments and position are set out on the Directors' Report on page 2. The company is expected to continue to generate positive cash flows on its own account for the foreseeable future. However, as set out in note 18, the company is party to a cross guarantee arrangement. The group has secured bank facilities through to June 2013 and the directors, having assessed the responses to their enquiries of the directors of the company's ultimate parent undertaking, Score Group plc, believe that it remains appropriate to prepare the financial statements on a going concern basis.

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost, together with any other costs that are directly attributable to bringing the asset into working condition for its intended use.

Depreciation

Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight-line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

Fixtures, fittings and office equipment	25 – 50%
---	----------

Stock and work in progress

Stock and work in progress are stated at the lower of cost and net realisable value. Cost includes all direct expenditure and production overheads based on the normal level of activity. Provision is made where necessary for obsolete, slow moving and defective stocks.

Long term contracts

The amount of profit attributable to the stage of completion of a long term contract is recognised when the outcome of the contract can be foreseen with reasonable certainty. Turnover for such contracts is stated at cost appropriate to their stage of completion plus attributable profits, less amounts recognised in previous years. Provision is made for any losses as soon as they are foreseen.

Contract work in progress is stated at costs incurred, less those transferred to the profit and loss account, after deducting foreseeable losses and payments on account not matched with turnover.

Payments received on account are included in creditors and represent payments on account in excess of turnover recognised.

Revenue recognition

Revenue is recognised when it is probable that the economic benefits associated with a transaction will flow to the company and the amount of revenue can be measured reliably. Revenue from product sales is recognised when the company has transferred to the customer the significant risks and rewards of ownership, which is normally upon delivery of the goods. Revenue from services is recognised as the service is provided. Revenues are stated net of sales taxes and trade discounts.

Score Marine Limited

1 Principal accounting policies (Cont)

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted. Deferred tax is measured on a non-discounted basis.

Warranty provision

Provision is made, based on an assessment of historical claims made, in respect of the estimated cost of settling claims that may arise on goods sold and services provided, that are still in the warranty period.

Cash flow statement

The company is a wholly owned subsidiary of Score Group plc and the cash flows of the company are included in the consolidated group cash flow statement of Score Group plc. Consequently the company is exempt under the terms of Financial Reporting Standard No. 1 from publishing a cash flow statement.

Amounts receivable by the auditor in respect of services to the company, other than the audit of the financial statements, have not been disclosed as the information is required instead to be disclosed on a consolidated basis in the consolidated financial statements of the company's ultimate parent, Score Group plc.

5 Directors' emoluments

None of the directors receive any emoluments from the company.

Two (2010: two) directors are remunerated by Score (Europe) Limited and an amount of £23,993 (2010: £53,941) has been recharged in respect of their services to the company.

6 Employee information

The company had no employees in either period. Employment costs of £373,471 (2010: £322,244) for 22 (2010: 18) staff were recharged by a fellow subsidiary undertaking.

Factors affecting the tax charge for the current period.

The current tax charge for the period is higher (2010: lower) than the standard rate of corporation tax in the UK of 27% (2010: 28%). The differences are explained below.

	2011 £	2010 £
Current tax reconciliation		
Profit on ordinary activities before tax	353,177	221,569
Current tax at 27% (2009: 28%)	95,358	62,039

Small companies rate difference	(10)	(677)
Total current tax charge (see above)	95,643	61,272

Factors affecting future tax charges

The 2011 Budget on 23 March 2011 announced that the UK corporation tax rate will reduce to 23% over a period of 4 years from 2011. The first reduction in the UK corporation tax rate from 28% to 27% (effective from 1 April 2011) was substantively enacted on 20 July 2010, and further reductions to 26% (effective from 1 April 2011) and 25% (effective from 1 April 2012) were substantively enacted on 29 March 2011 and 5 July 2011 respectively. This will reduce the company's future current tax charge accordingly.

The unprovided deferred tax asset at 29 September 2011 has been calculated based on the rate of 25% substantively enacted at the balance sheet date. It has not yet been possible to quantify the full anticipated effect of the announced further 2% rate reduction, although this will further reduce the company's future current tax charge and reduce the company's deferred tax asset accordingly.

The company has an agreement to guarantee the bank borrowings of its ultimate parent company, Score Group plc. At 29 September 2011 the net position on the group borrowings was £8,995,500 (2010: £15,585,863). The assets of the company are secured by a bond and floating charge.

Operating lease commitments

At 29 September 2011 the company had annual commitments under non-cancellable operating leases as follows:

	Land & Buildings 2011 £	Land & Buildings 2010 £
Expiring in : Greater than five years	150,000	-

19 Related party disclosures

As the company is a wholly owned subsidiary undertaking it has taken advantage of the exemption in FRS 8: "Related Party Disclosures" not to disclose those transactions with other group companies that are eliminated on consolidation.

20 Ultimate parent company and parent undertaking of larger group of which the company is a member

The Company is a subsidiary undertaking of Score Group plc which is the ultimate parent company incorporated in Scotland.

The only group in which the results of the Company are consolidated is that headed by Score Group plc. The consolidated financial statements of the group are available to the public and may be obtained from the company secretary at Glenugie Engineering Works, Peterhead, AB42 0YX. The directors regard Mr C B Ritchie as the ultimate controlling party by virtue of his controlling interest in the equity capital of Score Group plc.
