STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Report of the Trustees
for the Year Ended 31 March 2014

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

The directors of the charitable company ('the charity') are its trustees for the purpose of charity law and throughout this report are collectively referred to as the trustees. As set out in the Articles of Association there are two categories of trustee; Member trustees and Co-opted trustees. The minimum number of trustees is 5, and the maximum number of trustees is 9 out of which no more than 3 can be Co-opted trustees. Member trustees can be appointed at any time but must retire at the first general meeting following appointment. In addition at each annual general meeting the two member trustees who have been longest in office since they were last appointed shall retire from office. Member trustees may be re-appointed at the annual general meeting. Co-opted trustees can be appointed at any time but must vacate office at each annual general meeting. Following the annual general meeting, the Member trustees may re-appoint Co-opted trustees.

Induction and training of new trustees

New Trustees meet with the Chairperson and the Officer in Charge to discuss the function of the board and the roles and responsibilities of office bearers and members. Background information is available on the organisational structure and the service provision. Minutes of the previous three meetings are reviewed and others are available on request. Format and frequency of meetings is discussed and a schedule of planned meetings is provided. We have developed a new induction policy for members.

Organisational structure

The board of trustees, who meet bi-monthly, administers the charity. The board may delegate powers to any committee consisting of one or more trustees.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. Training has been provided to members regarding this and a risk analysis completed.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

We continue to operate from three sites within the 'Royston Corridor' providing childcare from six weeks to the first year of secondary education. The provision of services currently on offer is as follows:

- i) Charles Street
 - 64 places 0-5 years.
- ii) Royston Primary School
 - 72 out of school care places covering Primary 1 to Primary 7.
- iii) We have been successful in securing a three year grant from Big Lottery to employ two staff to deliver an initiative from the Milburn Centre and two outreach locations. The initiative incorporates the following three strands:
 - 1. Establish a parent and toddler group and deliver Triple P (promoting positive parenting).
 - 2. Establish a committee to continue with the parent and toddler group beyond the grant period.
 - 3. A fund to meet the cost of three part time nursery/out of school care places for identified families that require immediate short term assistance to avert crisis.

The current grant ends in February 2015. We have now began the process of extending this initiative for a further three years.

FINANCIAL REVIEW

Reserves policy

St. Roch's Childcare Service continues to operate as a social economy organisation. Receiving grants on a year to year basis, reserves are not built up or created. At the start of each financial year, funding streams are in place to support that year's budgeted expenditure. When we know how much grant we have been awarded we set the fees to meet the difference in running costs.

Our aim is to provide high quality childcare and therefore we must continually review and update our policies and procedures and staff skills. Health and Safety is now on the agenda for meetings at every level. Board and senior staff meetings, team leader and planning meetings. This ensures that the organisations takes account of all safety issues and meets National Care Standards and any changes in legislation.

Investment policy and objectives

Under the memorandum and articles of association, the charity has the power to make any investment, which the trustees see fit.

FUTURE DEVELOPMENTS

Play at Our Place is a Big Lottery funded initiative, which will service the Royston area. We have been given funding for three years to provide a service which will be split into three strands. The three strands are:

- Parent & Toddler group
- Parental support (including Triple P)
- Respite Care (short term)

The parent & toddler group will give the parents time to spend with their children in a safe and stimulating environment where they can engage with them through play experiences. The vision is that the parents will develop skills to empower them to take ownership of the group and at the end of the three years they will take over and run the play group on their own.

The parental support element to the initiative will help parents to identify areas of need in their lives relating to them and their children. With help from the Family Support Workers they will be able to work through issues affecting their day to day lives which in turn will make their lives more enriching. This could be attending courses to boost their self esteem, confidence, cookery classes, beauty therapy, literacy and numeracy etc. The Family Support Workers who are trained in Triple P will identify parents who would benefit from the Triple P programme; this could be done on a one to one basis or in a group setting.

Play at our Place has funding for three part time nursery/OSC short term respite places for families who are experiencing crisis. This could be a death in the immediate family, hospitalisation of a family member or something that in the short term could have a negative impact on their lives. The place would only be offered on a short term basis (six weeks), to give the family an opportunity to deal with their situation and give them a bit of time to return to their usual routine. During this period the Family Support Workers would liaise with the nursery/OSC where the child is placed and also offer support to the parent/s experiencing crisis.

Play at Our Place can only offer this service to residents of the Royston area as per remit for Big Lottery funding.

Following the start up the project is now firmly established and continues to fulfil the aims and objectives.

An application has been submitted to IGF for three years funding. There has been a cost cutting exercise throughout Glasgow in relation to Partnership money with the result that this source of funding has been withdrawn for the 2014/15 year. There may be an opportunity however to access a reduced amount in the next financial year. Fees in the current year have been increased to alleviate against this income reduction which together with the Lottery Funding (Play at our Place) grant will ensure the project sustainability.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of St. Roch's Childcare Service for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Sharles Audit Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Report of the Independent Auditors to the Trustees and Members of
ST. ROCH'S CHILDCARE SERVICE (REGISTERED COMPANY NUMBER: SC238421)

We have audited the financial statements of St. Roch's Childcare Service for the year ended 31 March 2014 on pages nine to sixteen. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members and trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees Responsibilities set out on page six, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors, including APB Ethical Standard - Provisions Available for Small Entities (Revised), in the circumstances set out in note 18 to the financial statements

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Trustees to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2014 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements.

Report of the Independent Auditors to the Trustees and Members of
ST. ROCH'S CHILDCARE SERVICE (REGISTERED COMPANY NUMBER: SC238421)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the charitable company has not kept proper and adequate accounting records or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Notes to the Financial Statements
for the Year Ended 31 March 2014

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Companies Act 2006 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Where an incoming resource has been received by the charity for which the entitlement does not exist at the balance sheet date this income is not recognised as an incoming resource on the Statement of Financial Activities but is reflected as deferred income within liabilities on the balance sheet.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. The charity is not registered for VAT and therefore all expenditure is shown gross of any irrecoverable VAT.

Allocation and apportionment of costs

Most costs are allocated directly to an activity cost category. Staff costs which cannot be directly attributed to one activity cost category are allocated using an estimated time basis.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Land and buildings	- over period of lease
Plant and machinery etc	- 25% on cost and 25% on reducing balance

Leasehold improvements are depreciated over 5 years being the initial term of the lease. The charity has an option to renew the lease at the end of this initial term.

Individual assets costing £2,000 or less are not capitalised but are charged to the Statement of Financial Activities in the period in which they were purchased.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

The effect of this adjustment was to reduce incoming resources by £10,947 and resources expended by the corresponding amount. This adjustment had no effect on the balance sheet or on the net expenditure for the year.
