1. Accounting policies

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical costs convention as modified by the revaluation of certain assets.

Revenue recognition

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Property, plant and equipment

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Land and buildings	0% Straight line
Fixtures and fittings	25% Reducing balance

No depreciation is provided on the company's freehold properties since in the opinion of the directors the expected useful lives are sufficiently long and the estimated residual values are sufficiently high that any such depreciation would be immaterial. The directors undertake an annual impairment review of these properties.

Hire purchase and leasing commitments

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.
