1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost accounting rules.

The company has taken advantage of the exemption from preparing a cash flow statement as conferred by Financial Reporting Standard No. 1 (Revised 1996) on the grounds that it qualifies as a small company under the Companies Act 1985.

The company has taken advantage of the special provisions relating to small companies within Part VII of the Companies Act 1985 and with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Turnover

Turnover represents the amount derived from the provision of goods and services falling within the company's activities after deduction of value added tax.

Intangible fixed assets

Goodwill represents the difference between the fair value of the consideration paid on acquisition of a business and the fair value of its separable net assets at the date of acquisition.

Tangible fixed assets

Depreciation of fixed assets is calculated to write off their cost less any residual value over their estimated useful lives as follows:

Plant and machinery, etc	25% reducing balance
--------------------------	----------------------

Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by all timing differences between the treatment of certain items for taxation and accounting purposes.
