BALANCE SHEET - continued
31ST AUGUST 2022

The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31st August 2022.

The members have not required the company to obtain an audit of its financial statements for the year ended 31st August 2022 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Statement of Income and Retained Earnings has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 20th January 2023 and were signed on its behalf by:

Mr G Stodart - Director

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST AUGUST 2022**

1. STATUTORY INFORMATION

TGP Landscape Architects Ltd. is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

In light of the situation at the year end regarding COVID-19 the Directors have considered the potential impact of the current pandemic on the business. The Directors are satisfied that the Company has sufficient cash reserves to meet all financial obligations for the foreseeable future. As a result, the Directors believe that the company will continue as a going concern and the accounts have been prepared on this basis

Turnover

The company provides specialised design services. Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. Revenue is recognised in the accounting period in which the services are rendered and when the outcome of the contract can be measured reliably.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2017, is being amortised evenly over its estimated useful life of four years.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures, fittings & equipment	- 25% on reducing balance
--------------------------------	---------------------------

Stocks

Work in progress is valued at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing work in progress to their present location and condition.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST AUGUST 2022**

2. ACCOUNTING POLICIES - continued

Financial assets

Basic financial assets, including trade and other debtors and bank balances, are initially recognised at transaction price.

At the end of each reporting period financial assets measured at cost are assessed for evidence of impairment. Any impairment loss is recognised in the Income and Expenditure Account.

Financial assets are derecognised when the contractual rights to the cash flows from the asset expire or are settled.

Financial liabilities

Basic financial liabilities, including trade and other creditors, are initially recognised at transaction price.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These are classed as current liabilities as payment is due within one year or less. If not they are presented as non-current liabilities.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.
