The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2012.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 December 2012 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the director on 23 AUGUST 2013 and were signed by:

L Kidger - Director

The notes form part of these abbreviated accounts

NOTES TO THE ABBREVIATED ACCOUNTS
for the year ended 31 December 2012

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

Despite having net current liabilities amounting to £52,322 (2011 - £44,281) and net liabilities totalling £49,137 (2011 - £40,097), the company continues to trade. The director, L Kidger, is taking steps to raise funds privately to ensure that, with his support, the company will be able to meet its liabilities as they fall due. As a result of these measures the director considers that the going concern basis of accountancy is appropriate.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the total invoice value of goods sold and services rendered during the year, arising from general building and maintenance work, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 20% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- 33% on cost

Stocks

Work in progress is valued at the lower of cost and net realisable value.

Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
