Notes to the Abbreviated Accounts

For the year ending 31 December 2010

1 Accounting policies

Going concern

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The financial statements are prepared on the going concern concept on the grounds that the company's principal creditor is a director and shareholder and there is no likelihood that repayment of this loan will be required in the foreseeable future.

Turnover

Turnover represents the value of fees earned and book sales achieved in the year.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery 25% on cost
