## 1. STATUTORY INFORMATION

Equilibrium Financial Consultancy Limited is a private company, limited by shares , registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

## 2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. There were no material departures from that standard.

## 3. ACCOUNTING POLICIES

**Basis of preparing the financial statements**
The financial statements have been prepared under the historical cost convention.

**Turnover**
Turnover comprises commissions and other income received from financial services business.

Turnover is measured at the fair value of commissions and other income received from financial services business, net of discounts and excluding value added tax, and is recognised at the point that the company obtains the right to consideration.

**Tangible fixed assets**
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.
Plant and machinery etc - 25% on cost

Tangible fixed assets held for the companies own use are stated at cost less accumulated depreciation and accumulated impairment loss.

At each balance sheet date, the company reviews the carrying amounts of its tangible fixed assets to determine whether there is any indication that any items have suffered an impairment loss. If any such indication exists, the recoverable amount of an asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of the asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Expenditure of £1,000 or more on individual tangible fixed assets is capitalised at cost. Expenditure on assets below this threshold is charged directly to the income statement in the period it is incurred.

**Taxation**
Taxation for the year yearcomprises current and deferred tax. Tax is recognised in the Income StatementProfit & Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that that have been enacted or substantively enacted by the balance sheet date.

3. **ACCOUNTING POLICIES - continued**

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Pension costs and other post-retirement benefits**

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

4. **EMPLOYEES AND DIRECTORS**

The average number of employees during the year was 1 (2023 - 2 ) .
