KNIGHT REPORTERS LIMITED

ACCOUNTS FOR THE PERIOD

1 April 2011 to 31 March 2012

SC260643

Directors Report

These are the ninth set of accounts for the company since its incorporation on 11th December 2003. The company's income increased slightly in the period but as with previous recent years, the company's income is still subject to factors outwith its control. They are again, not surprisingly, brief in their content and information. Nevertheless they are an accurate record of the financial status of the company as at the end of the accounting period, namely 31st March 2012 and have been approved by the directors and shareholders.
