NOTES TO THE ABBREVIATED ACCOUNTS
For The Year Ended 31 December 2014

1. ACCOUNTING POLICIES**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents the value of services provided in the year, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Leasehold improvements - 20% on cost

Studio and office equipment - 20% on cost

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Government grants

Grants are credited to deferred income. Grants towards capital expenditure are released to the profit and loss account over the expected useful life of the asset. Grants towards revenue expenditure are released to the profit and loss account as the related expenditure is incurred.

Going concern

The director has prepared the accounts on a going concern basis despite there being net liabilities at the balance sheet date as the company has met all liabilities as they fall due since the year end.
