Notes to the Abbreviated Accounts

For the year ending 30 April 2011

1 Accounting policies**Going concern**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The financial statements have been prepared on the going concern basis as the directors believe that the company will be able to operate within its banking facilities to ensure all debts will be met as they fall due. In addition, the directors have agreed to fund the ongoing liabilities of the company as they are incurred. The directors have agreed that the balance due to them, included within other creditors, will not be repaid until all other liabilities have been met.

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2008, is being amortised evenly over its estimated useful life of twenty years.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery 25% on reducing balance
