NOTES TO THE ABBREVIATED ACCOUNTS
YEAR ENDED 30 APRIL 2014

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Going concern

The company's major creditor is its subsidiary undertaking. The subsidiary has agreed that the company can defer payment of the amount due to the subsidiary until the company is in a position to satisfy this debt. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of this deferral arrangement.

Consolidation

In the opinion of the directors, the company and its subsidiary undertakings comprise a small group. The company has therefore taken advantage of the exemption provided by Section 398 of the Companies Act 2006 not to prepare group accounts.
