Notes to the Abbreviated Accounts

For the year ending 28 February 2011

1

Accounting policies**Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

Work in progress

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Fixed Assets

All fixed assets are initially recorded at cost.

Post retirement benefits

The company has agreed to provide certain additional post-retirement benefits to selected senior employees. The estimated cost of providing such benefits is charged against profits on a systematic basis over the employees' working lives within the company.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.
