NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company has generated a profit for the year. The financial statements have been prepared under the going concern basis on the grounds that the funding agreed with the company's bankers along with the continued support of the directors will enable the company to meet its liabilities as they fall due. The directors are optimistic that the company will continue to be profitable in the future. In addition, the £69,560 due to the directors will not be repaid until all other liabilities have been met and until the company has sufficient funds to do so.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.3 Patents

The franchise licence from Oil and Vinegar is being written off over its estimated useful life of 10 years.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Tenants imps	10-20% straight line
Computer equipment	20% straight line
Fixtures, fittings & equipment	15% reducing balance

1.5 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.6 Stock

Stock is valued at the lower of cost and net realisable value.

1.7 Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not they will be recovered. Deferred tax assets and liabilities are not discounted.
