1. ACCOUNTING POLICIES

Basis of preparing the financial statements

London & Scottish Investment Finance Limited is a private limited company, limited by shares, incorporated in the United Kingdom. The registered address is Venlaw, 349 Bath Street, Glasgow, G2 4AA.

The financial statements have been prepared in accordance with Financial Reporting Standard ("FRS") 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland

The financial statements have been prepared in accordance with the requirements of the Companies Act 2006 as applicable to companies subject to the small company's regime, and under the historical cost convention. The disclosure requirements of Section 1A of FRS102 have been applied other than where additional disclosure is required to show a true and fair view. There were no material departures from FRS 102. The financial statements are presented in sterling which is also the functional currency of the company.

Going concern

The Directors have made an assessment of the company's ability to continue as a going concern and are satisfied that the company will be able to meet liabilities as they fall due for a period of at least twelve months from the date of approval of these financial statements. Consequently, the directors are satisfied that it is appropriate to prepare the financial statements on a going concern basis.

Revenue

Revenue represents fee income receivable during the year.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Critical accounting estimates and judgements

The preparation of the financial statements requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and revenue and expenses during the reported period. These estimates and assumptions are based on management's best knowledge at that time. Actual outcomes may differ from the estimates used.

Management have confirmed that no significant estimates and assumptions have been made in the preparation of financial statements.
