1 Accounting Policies

Accounting Convention

The accounts have been prepared under the historical cost convention

Turnover

Turnover represents the invoiced value of the goods and services supplied by the company, net of value added tax and trade discounts.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives. No depreciation is applied in the year of purchase.

Land and Buildings	0%	reducing balance
Plant and Machinery	25%	reducing balance
Motor Vehicles	25%	reducing balance

Stocks

Stock is valued at the lower of cost and net realisable value.

Deferred taxation

Provision is made for deferred taxation using the liability method to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes, except to the extent that a liability to taxation is unlikely to crystallise.
