## Notes to the Abbreviated Accounts for the Year Ended 30 November 2016

### 1. ACCOUNTING POLICIES

**Accounting convention**
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

**Revenue**
Turnover represents the amounts derived from the provision of goods and services, excluding value added tax and trade discounts.

**Tangible fixed assets**
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| | |
|---|---|
| Fittings & equipment | - 20% on reducing balance |
| Computer equipment | - 33% on cost |

**Inventories**
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Deferred tax**
Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.

**Pension costs and other post-retirement benefits**
The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
