Notes to the Abbreviated Accounts

For the year ending 30 June 2012

1 **Accounting policies**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Assets held under finance leases and hire purchase contracts are capitalised at the fair value of the asset at the inception of the lease, with an equivalent liability categorised as appropriate under creditors due within one year and after more than one year. The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of the capital repayments outstanding. Rentals under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	25% on reducing balance
Computer equipment	0% Straight line over 3 years
