Intertech Trading (UK) Limited

Director's report
for the year ended 31 December 2012

The director presents her report and the financial statements for the year ended 31 December 2012.

Director's responsibilities statement

The director is responsible for preparing the Director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless she is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable her to ensure that the financial statements comply with the Companies Act 2006. She is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activities

The principal activity of the company is trading in electrical power cabling and supplying services in respect of the electric cabelling trade.

Business review

This business review forms part of the director's report. Its function is to provide a balanced and comprehensive review of the company's performance and development during the year and its position at the year-end. The review also covers the principal risks and uncertainties faced by the company.

Company development and performance

The company's principal activity is trading in electrical power cabling and supplying services in respect of the electric cabelling trade. During this financial year, the company has been supplying its goods and services to a number of large projects.

Due to being involved in less projects than the previous year, the company experienced lower turnover. This has led to a loss being sustained in the year.

Principal risks and uncertainties

In common with many businesses of the company's size, the expanding worldwide business environment in which the company operates continues to be challenging. I have in place a programme of continual risk assessment in an effort to counter this.

Results

The loss for the year, after taxation, amounted to £70,528 (2011 - profit £54,573).

The director who served during the year was:

Mrs A Tryfonos

Disclosure of information to auditors

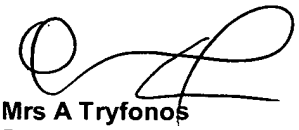

The director at the time when this Director's report is approved has confirmed that:

- so far as she is aware, there is no relevant audit information of which the company's auditors are unaware, and
- she has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Auditors

The auditors, Kreston Reeves LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board on 16 April 2015 and signed on its behalf.

Director

Independent auditors' report to the shareholders of Intertech Trading (UK) Limited

We have audited the financial statements of Intertech Trading (UK) Limited for the year ended 31 December 2012, set out on pages 5 to 11. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of director and auditors

As explained more fully in the Director's responsibilities statement, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the director; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Director's report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Director's report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditors' report to the shareholders of Intertech Trading (UK) Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes to the financial statements
for the year ended 31 December 2012

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

1.2 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

The revenue recognised is measured by reference to the amounts likely to be chargeable to clients, less a suitable allowance to recognise the uncertainties remaining in the completion of the obligations.

1.3 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.

2. Turnover

The whole of the turnover is attributable to trading in electrical power cabelling and supplying services in respect of the electric cabelling trade.

All turnover arose outside of the European Union.

3. Operating (loss)/profit

The operating (loss)/profit is stated after charging/(crediting):

	2012	2011
	£	£
Auditors' remuneration	**6,941**	9,547
Difference on foreign exchange	**(108,223)**	204,954

4. Staff costs

Net funds	1,528,699	(891,483)	-	637,216

16. Related party transactions

The ultimate beneficial owner has given an interest free loan to the company. At 31 December 2012, the company owed £132,276 (2011: £132,276) to him.

17. Post balance sheet events

At the year end the company was owed £1,498,378 by one of its customers in relation to a sales contract quoted in Russian Rubles. Since the year end, the Ruble has weakened significantly against the Pound. As a result, when the customer settled this debt in December 2014, the company received £487,360 less than the debt included within these financial statements.

Due to the trading relationship that the company has with its suppliers, it has been able to continue to trade in spite of the lower than expected receipt. This position is not considered likely to change for at least the next 12 months.

18. Ultimate parent undertaking and controlling party

The company is a wholly owned subsidiary of Suxess Consult Limited, a company registered in Cyprus.
