Notes to the Abbreviated Accounts for the Period from 26 November 2009 to 31
March 2011

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Going concern

The financial statements have been prepared on a going concern basis.

The company has net liabilities at 31 March 2011 and meets its day to day working capital requirements through its bank overdraft facility which, in common with all such facilities, is repayable on demand. In addition the directors have provided financial support by way of short term loans. On the basis of this support, the directors consider it appropriate to prepare the financial statements on the going concern basis.

Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Short leasehold land and buildings	5% straight line basis
Plant and machinery	25% on reducing balance
Fixtures and fittings	15% on reducing balance
Office equipment	33% straight line basis

Stocks, work in progress and long-term contracts

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.
