Notes to the Abbreviated Accounts for the period ended 31 March 2016

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Land and buildings - No depreciation

Fixtures, fittings and equipment - 25% reducing balance

Property improvements - No depreciation

Other accounting policies**Goodwill**

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 10 years.

Pensions

The pension cost charged in the financial statements represent the contribution payable by the company during the year
