Notes to the Abbreviated Accounts

For the year ending 30 June 2014

1 **Accounting policies**

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax. In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

Fixed Assets

All fixed assets are initially recorded at cost.

Financial Instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant & Machinery	25% Reducing balance
