Notes to the abbreviated financial statements
for the period ended 31st July 2011

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales invoiced during the year, or the fair value of services provided for amounts not invoiced at the year end.

Turnover arising from the sale of goods is recognised when the significant risks and rewards of ownership have passed to the buyer.

1.3. Stock

Stock represents bloodstock held at the period end, and is valued at the lower of cost and net realisable value. Cost includes all direct expenditure incurred with the bloodstock purchases. Net realisable value is based on estimated selling prices less further costs expected to be incurred in holding the stock.

2. Share capital
