Notes to the abbreviated financial statements
for the year ended 31st July 2012

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales invoiced during the year, or the fair value of services provided for amounts not invoiced at the year end.

Turnover arising from the sale of goods is recognised when the significant risks and rewards of ownership have passed to the buyer.

1.3. Stock

Stock is valued at the lower of cost and net realisable value. Cost includes all direct expenditure and appropriate proportion of fixed and variable overheads. Net realisable value is based on estimated selling prices less further costs expected to be incurred in bringing the stock to completion.

1.4. Going concern

During the year the company incurred a loss, and at the year end had net liabilities on the balance sheet of £37,499. During the year the company ceased trading and will remain dormant over the forthcoming twelve months. The director has stated that she will not seek repayment of amounts due to her until such time as the company recommences trading and all other liabilities have been settled.

2. Share capital
