Notes to the abbreviated financial statements

for the year ended 30th November 2011

1 Accounting policies

Accounting convention

The accounts are prepared under the historical cost convention and comply with financial reporting standards of the Accounting Standards Board.

Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 20 years.

Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures and equipment - 15% reducing balance

Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Stock

Stock is valued at the lower of cost and net realisable value.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.
