Notes to the Abbreviated Accounts
for the Year Ended 31 August 2016

1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

During the year the company made a loss of £712 and at the balance sheet date its current liabilities exceeded its current assets by £2917. The company meets its day to day working capital requirements through the continued support of the directors. With this continued support the directors are confident that the company will meet its cash flow requirements. The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

The company was dormant throughout the current year and previous year.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery- 25% on reducing balance.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to receive or to receive more tax.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted at or substantively enacted at the balance sheet date.
