Notes to the Abbreviated Accounts
for the Year Ended 31st August 2016

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
I confirm that in accordance with the Financial Reporting Council's recommendations that I have carried out a rigorous assessment of the company and have reached a view after that assessment that the company is entitled to be considered a going concern and that these accounts properly reflect that status as a basis for preparation of the accounts.

In completing my assessment, I have considered a period of time which is greater than 1 year from today's date.

Based upon my assessment, I consider that the disclosure in the accounts is balanced, proportionate and clear and reflects the facts as established during my assessment of the next twelve months.

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover
Turnover is the amount derived from the ordinary activities of the company, after trade discounts and excluding value added tax.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 33.33% on cost, 25% on cost, 15% on cost and 10% on cost

Deferred tax
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments
Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits
The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
