Notes to the Abbreviated Accounts for the Year Ended 31 August 2016

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on the basis that the company will continue to trade for the foreseeable future. At 31 August 2016 the company's liabilities exceeded its assets by £24,939. The company is dependent upon the continued support of its director and creditors. The director is confident that this support will be maintained for the foreseeable future. Should this support be withdrawn and the company be unable to continue trading, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts, and to reclassify fixed assets and long term liabilities as current assets and liabilities.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
