Notes to the Abbreviated Accounts

For the year ending 31 March 2014

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the period, exclusive of Value Added Tax. In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

Fixed Assets

All fixed assets are initially recorded at cost.

Financial Instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Motor Vehicles	25% Straight line
Office equipment	33% Straight line
