Notes to the Abbreviated Accounts for the Year Ended 30 April 2015

1. ACCOUNTING POLICIES

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover
Turnover represents amounts receivable for services rendered during the year, exclusive of value added tax.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 15% on reducing balance
Computer equipment - 33% on cost

Deferred tax
The payment of taxation is deferred or accelerated because of timing differences between the treatment of certain items for accounting and taxation purposes. Deferred tax assets are recognised only to the extent that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Full provision for deferred taxation is made under the liability method, without discounting, on all timing differences that have arisen, but not reversed by the balance sheet date, unless such provision is not permitted by accounting standards.

In accordance with such standards deferred tax is not provided for:

a) revaluation gains on land and buildings, unless there is a binding agreement to sell them at the balance sheet date; and
b) gains on the sale of non-monetary assets, if the taxable gain will probably be rolled over.

Foreign currencies
Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.
