Notes to the Abbreviated Accounts for the Year Ended 31 May 2016

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements have been prepared on the going concern basis which assumes that the company will continue in operation for the foreseeable future. The validity of the assumption depends on the continued support of the directors who are the main creditors. The directors are satisfied at time of approval of the financial statements, that this support will continue for the foreseeable future.

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover
Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on cost
Motor vehicles	- 100% on cost

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more or a right to pay less tax in the future have occurred by the balance sheet date with certain limited exceptions.

Deferred tax is calculated on an undiscounted basis at the tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.
