Notes to the Abbreviated Accounts
For The Period 29 May 2014 to 30 June 2015

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax and trade discounts. Turnover is recognised when services are performed or goods are delivered.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business, is amortised evenly over its expected useful life of twenty years.

Deferred tax

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Going concern

The financial statements have been prepared on the going concern basis. The Directors consider that the going concern basis is appropriate as although the company has net liabilities, these are principally represented by sums due to the Directors who have confirmed their continued support.
